Solar Car Teams,

The Innovators Educational Foundation is hosting the 2017 Solar Car Conference Friday-Sunday, February 3-5, 2017 at Johnson County Community College in Overland Park, KS (Kansas City area). This conference will allow for a detailed discussion on what has been the most requested topic in the survey results – the American Solar Challenge 2018 regulations!

Additionally, the conference is designed to include sessions on:

- Mechanical vehicle design
- Electrical vehicle design
- Fundraising
- Logistics
- Project Management
- Safety
- Networking breakouts
- One-on-one mini breakouts
- ...and more

Networking Breakouts

Based on survey feedback, we are introducing networking breakouts that will provide an opportunity to connect with others across teams. Please indicate the breakouts that are of most interest to you on the registration form. In addition, a limited number of one-on-one mini-breakouts will provide you the opportunity to speak with a specific inspector/staff individually. Sign-ups for the one-on-ones will occur at onsite check-in. We hope these added enhancements will make the 2017 conference even more valuable to your team!

High-Level Schedule

Friday: 4:30-10:00pm, including the ASC 2018 regulations discussion
Saturday: 8:00am – 7:00pm, with possible evening activity
Sunday: 8:00am – Noon

Who Should Attend

Much of the conference will include breakout sessions. We highly encourage a minimum of 3 team members to attend, and welcome as many as are able to come. Also, we are encouraging advisors to attend with the team – one advisor per team is included with the base registration.

Conference Fees

For 2017, the base conference registration fee is \$300 USD per team, which covers attendance for up to three team members and one advisor. Additional team members and advisors can attend at a cost of \$25 USD per person. **Payment is due by January 6, 2017.**

Checks may be sent to: Innovators Educational Foundation, PO Box 2368, Rolla, MO 65402

PayPal payments can be made online, which will incur a \$12 USD convenience fee.

Conference Registration Form

Teams who are interested in attending must fill out and submit the registration form to ascteams@americansolarchallenge.org no later than January 6, 2017.

On behalf of all of the American Solar Challenge staff, we look forward to seeing you at the conference!

Gail Lueck
ASC/FSGP Event Director
